

EVERYTHING MOVES: MIGRATION IS OUR SPIRITUAL JOURNEY

Science tells us that everything has been and is on the move. From Abraham to Moses, to Jesus and the Apostles, our faith stories reflect the wandering and wondering journey of faith. Drawing from scripture and tradition, looking to nature for inspiration and insight, we will reflect on the ways in which we are immersed and drawn forward in the Divine drama of migration.

The Rev. Jonathan Wickham, Retreat Conductor **Rector, All Saints Episcopal Church, Corpus Christi**

The Rev. Jonathan Wickham has long been a friend of this retreat community and conducted the well-received 2014 Silent Retreat. We are pleased he will return to share his teaching and preaching during this 51st Silent Retreat.

Brought up in the state of New York, Fr. Jonathan earned his M.Div. at The University of the South (Sewanee) and was ordained in the Diocese of West Texas, where he has served as Bishop's Deputy for camps, conferences, youth and young adult ministry and as Associate Rector at St. Mark's-San Antonio. In 2012, he accepted the call to be Rector of All Saints Episcopal Church in Corpus Christi.

"I became an Episcopalian when I was 22," he says, "grateful to find a church that explores the great mysteries of God. I fell in love with a church that encourages thoughtful study of scripture, deep learning shaped by tradition, and creative inquiry set free by reason and wonder.
